## Studying at Thomas Telford School

The facilities at Thomas Telford School are outstanding and include a new Business Academy and Careers building, which opened in September 2020.

Students have access to a dedicated Business Computing suite and state of the art interactive technology to allow them to develop their business skills. The Business teaching staff have a breadth and depth of experience and pride themselves on delivering outstanding outcomes.

Students receive exceptional career advice from the schools dedicated careers team, ensuring that they are well informed and well prepared when they leave Thomas Telford School.

## Outside of the Classroom

Students are provided with enhanced opportunities to experience the business world.

The popular annual trip abroad allows students to see first hand how international businesses work. Previous trips have included New York where students had a behind the scenes tour of Bloomingdales, talk in the UN and a visit to Wall Street. There are also potential opportunities to visit Businesses across Europe.

Students will experience visits and employer talks from companies such as Cadburys, Jaguar Land Rover and local accountancy and Law firms.

Team building and leadership skills are developed through outward bound trips, team building days and a residential course for leadership and teambuilding.

## Career pathway

The Business Academy course provides solid and varied business knowledge to prepare students for successful careers in a number of professions including:

- Financial services
- Retail
- Administration
- Sales
- Business Management
- Law
- Human Resources
