

Thomas Telford School

welcomes applications to the

Business Academy

The top performing Business Academy at Thomas Telford School is an ideal choice for students keen to develop their employability skills in a professional environment.

The Business Academy offers a BTEC National Level 3 Extended Diploma in Business which is equivalent to three A Levels and covers a wide range of business specialisms. Students have the opportunity to set up and run their own business, experiencing the responsibilities of an entrepreneur. Students also complete an 'Employability passport' which is a professionally accredited, and employer endorsed record of their personal skills and effectiveness in business.

Lessons are delivered in a brand new purpose built building, to the highest standards, by teachers who have experience in the business world. The course is a mixture of academic study and practical projects which are based on real

workplace situations. The Business Academy also offers visits, employer talks and team building opportunities to enhance the students' experience.

There are many opportunities open to students once they have successfully completed the course. Previous students have progressed onto business related degrees, while others have gone directly into employment in areas such as finance, administration and management.

While studying in an Academy within Thomas Telford School, students benefit from the specialist study in a Sixth Form environment which offers state of the art facilities and excellent pastoral and careers support.
