# Thomas Telford Sixth Form

Thomas Telford School offers a wide choice of academic A levels and vocational subjects. The pathways that students can take are flexible and can be a combination of both.

Lessons are engaging and inspiring and are delivered using a range of styles including teacher led, group activities, independent study, practical, demonstrations and one to one tutorials. While learning is structured in Thomas Telford School Sixth Form independence, self reliance and responsibility are all encouraged.

The secure and caring environment in the Sixth Form provides small class sizes, regular reporting with each student having their own personal tutor. Mr Rawlings, the Head of Sixth Form, and his team offer outstanding guidance to all students.

Preparing students for life beyond Sixth Form is important at Thomas Telford. The exceptional careers team offer an extensive support programme which includes UCAS applications and interview preparation as well as providing numerous opportunities such as university and company visits, careers talks, workshops and work experience. Every student receives one to one tailored advice to enable them to make informed decisions about their future. The team are experienced in supporting students who wish to apply for the most competitive courses such as Oxbridge or medicine offering a bespoke programme to enhance applications.

- Outstanding facilities
- State of the art technology
- Excellent support
- Enrichment opportunities

## Studying at Thomas Telford School

The facilities at Thomas Telford School are outstanding and include a brand new Business Academy,.

The state of the art technology includes computer suites, learning centres and music technology

Students study in resource centres, computer suites, specially equipped science labs, study rooms and fully resourced art and technology studios.

There is an online curriculum and an easily accessible Library to support students' studies.

## Outside of the Classroom

Providing enrichment opportunities for students is a priority at Thomas Telford School as this is what puts students in the strongest position when applying to universities and employment.

The opportunities are extensive and range from trips and visits to clubs, societies, workshops and speakers.

Study trips enrich students' experience of their subjects and previous Sixth Form trips have included Berlin, Iceland, Italy and New York.

Careers talks, university visits, and workshops all help students to make well informed decisions about their future.

New skills can be developed by taking part in clubs such as public speaking and ethical debating.

Students interested in pursuing a career in medicine can join Medsoc and the young Volunteers scheme through the School's partnership with Princess Royal Hospital.

Students can take on new challenges by taking part in the Duke of Edinburgh Award or sailing a tall ship.

## Career pathway

85% of students go on to study at their first choice university including Russell Group, Times Top 25 universities or very competitive Stage School.

Many students gain highly sought after offers such as Oxbridge or medical degrees.

Students have also achieved offers on high quality apprenticeships at EY, Deloitte, UBS, Jaguar Landrover, GCHQ and Capgemini.

Other students decide to go directly into employment.

Whatever path students choose after sixth form they receive full support and guidance from the School.

## How to Apply
