## **NOTES**

**Examinations start at 9.00am and 1.00 pm unless otherwise indicated. Students should be at the examination room 10 minutes before the start of the examinations.**

**If you have exam clashes we will try and operate the usual examination rules as follows:**

- **If the 2 examinations come to 3 hours or less then they will be taken one after the other in the same session**
- **If they come to more than 3 hours then one will be moved to either the morning or afternoon session – this will be determined by the number of other people with the same clash. With these clashes you will be held in isolation between the morning and afternoon sessions**
