

6.1 Mock Examination Timetable April 2020

PUBLISHED 6 MARCH 2020

NOTES

Examinations start at 9.00am and 1.00 pm unless otherwise indicated. Students should be at the examination room 10 minutes before the start of the examinations.

If you have exam clashes we will try and operate the usual examination rules as follows:

- **If the 2 examinations come to 3 hours or less then they will be taken one after the other in the same session**
- **If they come to more than 3 hours then one will be moved to either the morning or afternoon session – this will be determined by the number of other people with the same clash. With these clashes you will be held in isolation between the morning and afternoon sessions**

8.30am breakfasts and 12.00pm lunches will be arranged as necessary

Thanks

**Mr Williams (6 March 2020)
Examinations Officer**
