Important note from the Headmaster

Please note that the School has a single point of entry and exit to school. Please stop at the supervised gatehouse on entry and observe the one way system at all times. Parents must not come onto School premises at the start and end of each day unless by prior appointment with a member of staff.

In addition, following instructions from the Governing Board, and in the interest of student safety, any vehicle entering the School site between 3.00pm and 3.20pm will not be able to leave the site until the exit barrier is lifted at 3.30pm. This is to allow students to cross the School perimeter roads to embark on the coaches or exit the site safely.

1. What do I need to bring to School on the first day?

All Year 11 students should bring with them on their first day a pen, pencil, ruler, rubber and calculator. Students will also need to bring a bag of sufficient size to transport their Student Portfolio to and from school.

On the first morning, each Year 11 student will be given their Student Portfolio.

- Timetable – will be emailed before the start of term.

2. Travelling to and from School

General

The transport arrangements have been made with due regard to the safety and best interests of the students. Suggestions for improvement will be accepted by the School but the School's decision will be final.

NB: The School will have just one point of entry and exit with a security guard supervising all vehicles and visitors to School. There will continue to be a one-way system and vehicles entering School will turn left and follow in a clockwise direction around school. Please observe the one-way system at all times.

Arrival at School

The most suitable time for students to arrive at school is between 8.00am and 8.20am. The School is unable to receive students earlier than 7.45am. Students arriving before 8.00am should remain in the Restaurant. **From 8.00am students should make their way straight to lessons and should have a reading book with them for independent reading until 8.30am.**

Departure from School

For Year 11, students will finish school at 3.20pm as part of a staggered finish to the day. If students stay for Session 3, this begins at 3.30pm and they should wait in the Restaurant until the Session 3 starts, under the supervision of duty staff.

Wolverhampton Coach Service

All coaches are fitted with lap belts, these must be worn at all times. **Failure to do so will result in students losing the right to travel on the coach.**

Adult stewards, employed by the School, will be present on the coaches and will take registers. All stewards are issued with mobile telephones.

On arrival at school there will be two drop off points. Year 7, 9 and Sixth Form students will disembark and enter the School at Entrance A. Year 8, 10 and 11 students will disembark at Entrance D (see map on page 6).

At the end of the day, coaches will depart from Coach Pick up Area (see map on page 6).

Details of your route number, pick-up point and time will be mailed to you just before the beginning of term.

Bus Passes

Bus passes are available for students whose families are in receipt of government financial assistance. Please contact school at the beginning of term – Miss Braiden, dbraiden@ttsonline.net for more information.

Parents bringing students by car

Parents are requested to stop their cars in the DROPPING OFF ZONES adjacent to the School (see map).

Safety Notice

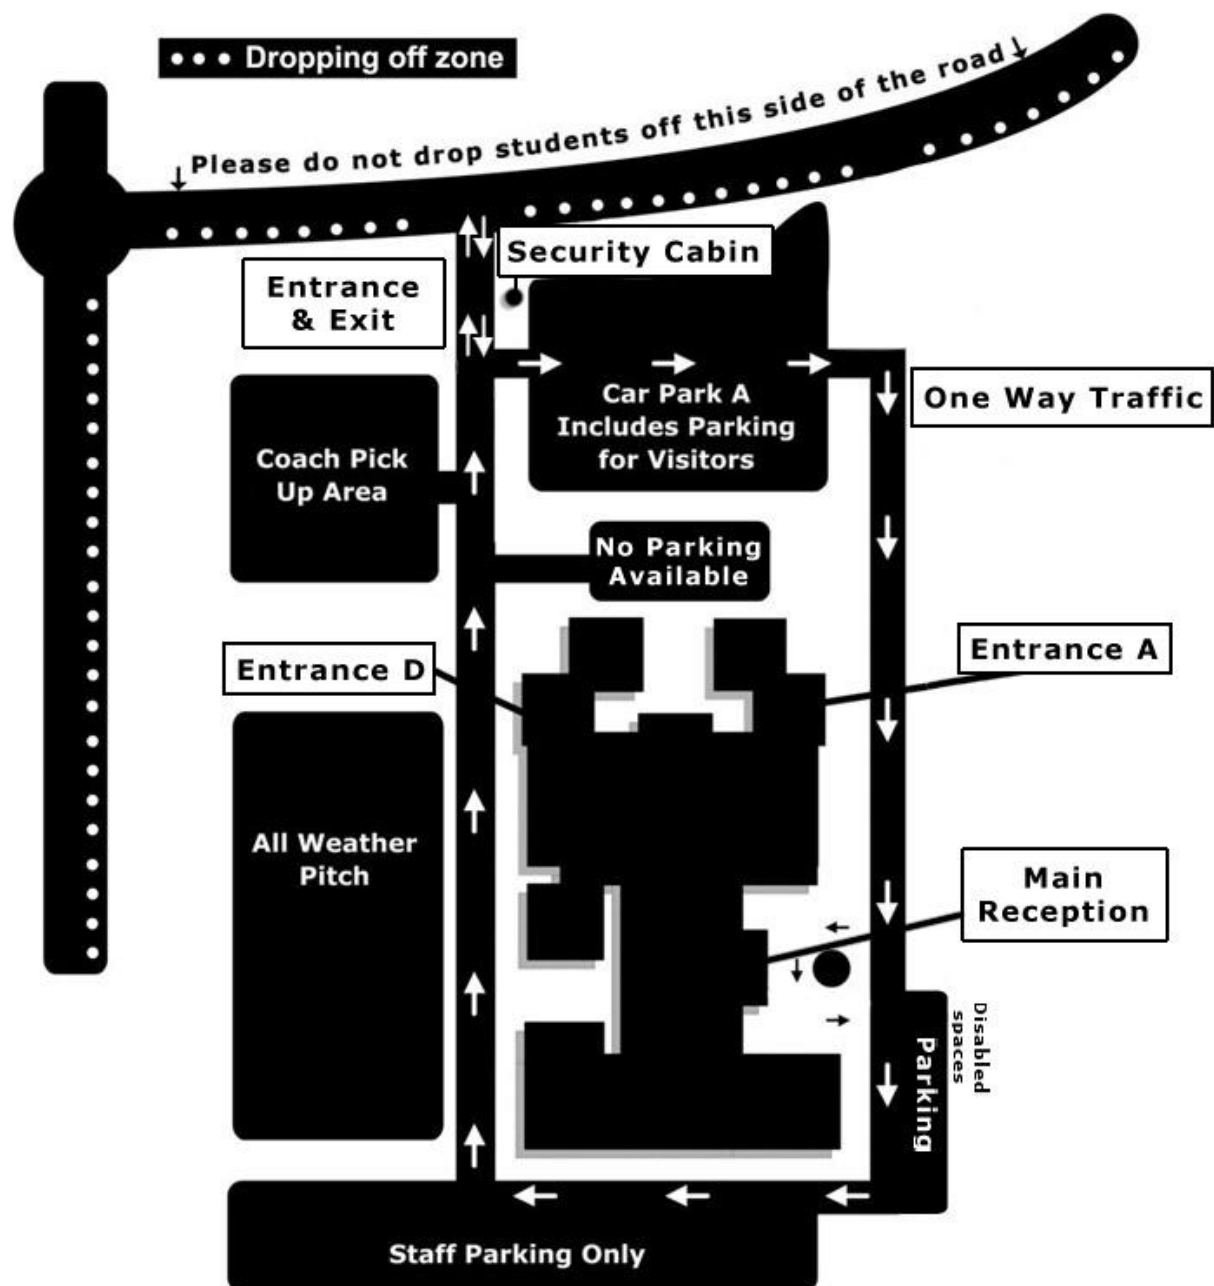

In the interests of students' safety, parents are requested not to come on to the School site to drop off or collect students at the beginning and end of the School day.

Please do not drop off students, park or turn your cars around on the zigzag lines or in the entrance/exit area; this is both illegal and dangerous. The area is well signposted and has road markings.

We receive many concerns and complaints from parents about inconsiderate driving and we would respectfully remind parents to make every effort to comply with these arrangements in the best interests of our children's safety.

3. What do I do when I get there?

Please use Entrance D (near Learning Base 1, see below). The cloakroom on your left is for your coats and bags. No coats or bags are to be taken into the main body of the School.

5. Timing of the School Day

Session Times

Monday to Friday

Session 1 (including breakfast)	8.30am to 11.30am
Personal Tutorial	11.30am to 11.50am
Session 2 (including lunch)	11.50pm to 3.20pm*
Session 3	3.30pm to 5.00pm

Important Information for Year 11 Students*

For Year 11, they will finish school at 3.20pm as part of a staggered finish to the day. This assists in managing a safe and orderly exit from school.

School Meals

Please note that all food and drink must be consumed in the Restaurant

The School provides breakfast and lunch in the Restaurant. Lunch menus will offer variety, including a vegetarian alternative. The School suggests £3.75 for lunch and an optional £1.45 for breakfast as a suitable daily allowance. Hot and cold drinks are available from vending machines at 25p each. Water can be obtained free of charge.

We always aim to keep the price of 'healthy option' items, i.e., vegetables, salad and fruit, as low as possible to encourage the students to eat a balanced diet. Restaurant menus for each day are available on the website: www.ttsonline.net/page/restaurant-menu.

The School operates a cashless system. Parents can add credit to their child's account via ParentPay. The current default spending limit is £10.00 per student, per day but parents can change this by writing to Mr T Osborne, Finance Director. Parents can also check on ParentPay to see what children are purchasing.

Packed Lunches

All students are welcome to bring their own packed lunches to School and join the other students in the Restaurant.

Meal Times

Students take breakfast and lunch breaks on a rotational basis with breakfast being served between approximately 8.40am - 10.45am and lunch between 12.00pm - 2.00pm.

These times may vary slightly to take into account examinations, school trips, etc.

Support

Families qualifying for financial support with School meals will receive the equivalent of £3.75 per day. Students will be automatically identified by their fingerprint/pin code as they pass through the till which will maintain confidentiality.

General

When school trips and visits are to take place, parents will receive appropriate information concerning meals prior to the visit or trip taking place.

7. Session 3 Activities

Monday to Thursday after 3.30pm

This term, Session 3 activities begin on Monday 11 September. This is to allow staff to concentrate on ensuring the normal school day settles into routine effectively and to allow Personal Tutors to resolve any important issues with their personal students.

There are no Session 3 activities during the **first** and **last** week of each term.

Session 3 Timetable – Year 11

The Session 3 timetables are available on the website via the Student/Parent information section.

Note: Our Individual, team, regional, national and international performers will access the Fitness Suite for specialist training by individual arrangement. The Fitness Suite will be available for all years after school from Monday - Thursday.

Session 3 Transport

Transport is arranged for students returning to Wolverhampton after Session 3 activities. Transport will be available at **5.10pm (Monday-Thursday)** as demand requires. Students should sign onto the late bus with their coach steward in the morning or at Reception before 1.30pm.

If for any reason a student does not subsequently require the late coach, they must sign off the late coach list at Reception by 1.30pm

8. Personal Tutors

On the first day, all students will meet with their Personal Tutor who will be the first point of contact for parents and students.

Parents meeting with Personal Tutors

During 2022-23, we reviewed the format of Personal Tutor meetings with parents, making the decision to place the meetings at key strategic points throughout the year to maximise impact. This is a departure from the traditional September meetings for some year groups and will allow focused feedback and discussion with parents and students.

Details of these meetings will be shared by the Personal Tutor during the academic year. Meetings for Year 11 students are planned for January 2024.

Please advise your child of a suitable time so a mutually convenient appointment can be arranged. It is important that you bring your son/daughter with you and enable them to participate in the discussions about their progress. Students are expected to wear school uniform.

The school has an excellent record of parents working closely with Personal Tutors in the interests of the students. **This is a very important meeting and it is essential that every parent meets the Personal Tutor.**

9. Water Bottles

Students have been provided with their own water bottle for use when in school. They can re-fill their water bottle during the day at appropriate times (Breakfast, PT and Lunch). Plastic water bottles will no longer be sold in the School Restaurant as we are looking at ways to reduce our plastic waste within school.
