Important note from the Headmaster

Currently with the revised guidance from the Department for Education, parents will not be allowed to enter the school site until further notice. Any concerns or questions should be directed to the Personal Tutor by phone or email

In future when normal operations resume, please note that the School has a single point of entry and exit to School. Please stop at the supervised gatehouse on entry and observe the one way system at all times. Parents must not come onto School premises at the start and end of each, unless by prior arrangement with the member of staff.

In addition, following instructions from the Governing Board, and in the interest of student safety, any vehicle entering the School site between 3.00pm and 3.20pm will not be able to leave the site until the exit barrier is lifted at 3.35pm. This is to allow students to cross the School perimeter roads to embark on the coaches or exit the site safely.

1. What do I need to bring to School on the first day?

Year 9

- Timetable – this will be posted before the start of term.
- Pen, pencil, ruler, rubber and calculator in pencil case

Lessons will be taught in year group bubbles, apart from specialist subjects such as Art, Design Technology, Performing Arts, PE and Computing.

2. Travelling to and from School

General

The transport arrangements have been made with due regard to the safety and best interests of the students. Suggestions for improvement will be accepted by the School but the School's decision will be final.

Arrival at School

The most suitable time for students to arrive at School is between 8.00am and 8.20am. **The School is unable to receive students earlier than 7.45am. Students should make their way straight to the learning venue as per the timetable.**

Departure from School

A staggered finish operates at the end of the day. Year 9 will finish at 3:20pm, being escorted to their cloakroom, then to Wolverhampton coaches and the school gate for a prompt departure. If you are collecting your child could you please collect them promptly to avoid congestion outside the school gate.

Wolverhampton Coach Service

Under the current guidance from the Department for Education regarding Covid-19 our student transport charter has been updated. **Please read this document carefully, as it is for the safety and wellbeing of all people using the service.**

All coaches are fitted with lap belts, these must be worn at all times. **Failure to do so will result in students losing the right to travel on the coach.**

Adult stewards, employed by the School, will be present on the coaches and will take registers. All stewards are issued with mobile telephones.

On arrival at School Year 9 will have a designated bus stop outside their cloakroom. **This is stop 4. (see map below)**

At the end of the day, coaches will depart from Coach Pick up Area by the Gatehouse on the hard play area

Details of your route number, pick-up point and time will be mailed to you just before the beginning of term.

Bus Passes

Bus passes are available for students whose families are in receipt of government financial assistance. Please contact the school office at the beginning of term. Details of discounted fares for other students are available at: www.wrekinconnect.co.uk.

Parents bringing students by car

Parents are requested to stop their cars in the DROPPING OFF ZONES adjacent to the School, dropping students off kerbside.

Safety Notice

In the interests of students' safety, parents are requested not to come on to the School site to drop off or collect students at the beginning and end of the School day.

Please do not drop off students, park or turn your cars around on the zigzag lines or in the entrance/exit area; this is both illegal and dangerous. The area is well signposted and has road markings.

We receive many concerns and complaints from parents about inconsiderate driving and we would respectfully remind parents to make every effort to comply with these arrangements in the best interests of our children's safety.

The School's Road Safety Group is working with the local authority and police to improve safety.

3. What do I do when I get there?

On arrival at school **Year 9 students should go into the cloakroom in the Sports Hall**. Students arriving by coach will be dropped off there also. Students are expected to make their way straight to session 1 as per their timetable. **No student should be walking around school or in the Restaurant area.**

4. Timing of the School Day

Session Times

Monday to Friday

Session 1 (including breakfast)	8.30am to 11.45am
Session 2 (including lunch)	11.50pm to 3.15pm

No Personal Tutor sessions or Session 3 will be taking place. Changes to this will be communicated in due course.

School Meals

Please note that all food and drink must be consumed in the Restaurant

The School provides breakfast and lunch in the Restaurant. Lunch menus will offer variety, including a vegetarian alternative. The School suggests £3.50 for lunch and an optional £1.20 for breakfast as a suitable daily allowance. Water can be obtained free of charge in cups or to purchase in small bottles.

We always aim to keep the price of 'healthy option' items, i.e. vegetables, salad and fruit, as low as possible to encourage the students to eat a balanced diet. Restaurant menus for each day are available on the website: www.ttsonline.net/page/restaurant-menu.

The School operates a cashless system. Parents can add credit to their child's account via ParentPay. The current default spending limit is £10.00 per students per day but parents can change this by writing to Mr S Turton, Finance Director. Parents can also check on ParentPay to see what children are purchasing.

Packed Lunches

All students are welcome to bring their own packed lunches to School and join the other students in the Restaurant. If possible, please avoid bringing a plastic lunchbox.

Meal Times

Students take breakfast and lunch breaks on a rotational basis with breakfast being served between approximately 8:40 - 10.45am and lunch between 12.00 and 2.00pm.

These times may vary slightly to take into account Examinations, School trips, etc.

Support

Families qualifying for financial support with School meals will receive the equivalent of £3.50 per day. Students will be automatically identified by their fingerprint/pin code as they pass through the till which will maintain confidentiality.

6. Session 3 Activities

Session 3 will not resume until further notice. We will advise parents and students when this resumes.

Parents contact with Personal Tutors

Normally personal tutors would meet with parents during the first week of term. Due to the Covid-19 this is not currently possible. Personal tutors will therefore contact parents by phone in the first two weeks of term.

The purpose of this is twofold:

- Firstly, for the parents of existing students at the School to speak with Personal Tutors to discuss the progress and any concerns or issue regarding missing school during the current period
- Secondly, for parents of students starting at the School to speak with the Personal Tutor who will be the key person for dealing with all matters relating to their child's progress and welfare.

The School has an excellent record of parents working closely with Personal Tutors in the interests of the students. **This is a very important communication and it is essential that every parent speaks to the Personal Tutor during the first two weeks.**
