

Thomas Telford School Park Run Event

On Saturday 1 October Thomas Telford students, parents & staff will be taking part in the Telford Park Run. We would like to have as many runners as possible on the day and we would encourage people to register their details and emergency information on the Park Run website ahead of the event.

www.parkrun.org.uk

Click register, fill in registration form online, print off the barcode and bring to the run on the day.

The run starts at 9 am and we will be meeting by the visitor centre in Telford Town Park at 8.40 am.

Further details will be available from Mr Such, Miss Chadwick & Mr Arnold as soon as the students start back in September (including help for any students that have had difficulty registering their details). For all new runners it could present a wonderful opportunity to start a fitness drive as well as possibly support a charity of their choice, which could be included in Thomas Telford School's mission to try and raise £25,000 in our 25th year.
