

Year 6 Enterprise Challenge

Product Development Challenge

"Create a brand-new product which is useful around your home or garden, using 100% recyclable or waste materials."

Marketing Challenge

Create marketing materials for our product. Design a poster to advertise it and if possible, prepare and film a 30 second advert or photographs.

Students should also put together a small extract of no more than 200 words explaining their idea.

Good luck and we look forward to seeing you soon!
