

Follow the instructions below

Go to: [www.sparxmaths.uk](http://www.sparxmaths.uk)

The screenshot shows the Sparx Maths website interface. At the top, the Sparx logo is displayed above the school name 'Thomas Telford School'. Below this are two buttons: 'Student' (highlighted with a hand cursor) and 'Teacher'. The main heading is 'Sparx Maths' with a 'Student Login' link. A 'Select your school' dropdown menu is open, showing a list of schools including Thomas Telford School, which is highlighted by a hand cursor. Below the dropdown is a login form with fields for 'Username' and 'Password', a 'Show' button, and a 'Log In' button. A link for 'New Sparx user?' is at the bottom.

Use the username and password you created on the induction day. If you weren't in on the induction click 'New Sparx user?'

The screenshot shows the Sparx Homework page. The header includes 'Sparx Homework', '0 XP', a user icon, a bell icon, and a 'MENU' button. On the left sidebar, there are buttons for 'Compulsory' (highlighted with a hand cursor), 'XP Boost', 'Target', 'Sparx Practice', and 'Independent Learning'. The main content area has a blue background with white text: 'Complete the compulsory tasks that will be set throughout the holidays. There will be prizes for the students who have the most XP points when you start in September. Good Luck!'. A small message at the top says: 'This is your personalised Compulsory homework. You need to answer every question correctly to complete it.'

Follow these steps if you were NOT in on the induction day

The sequence of four screenshots shows the account creation process:

- Step 1. Remember your username**: A form titled 'Fill in your details below to create your account' with fields for 'Your first name', 'Your last name', and 'Your date of birth' (with day, month, and year dropdowns). A 'Show' button is next to the date field. A 'Log In' button is at the bottom.
- Step 2. Choose your password**: A form titled 'Now set a password, make sure you choose one that you will remember'. It has a 'Choose your password' field with a 'Show' button. Below it, a section 'Your password needs to be:' lists requirements: 'Be 6 or more characters'. A 'Back' button and a 'Continue your setup >' button are at the bottom.
- Step 3. Confirmation**: A form titled 'This is your username, you'll use this each time you log in to Sparx'. It shows a preview of the username and a message: 'Make sure you remember your username - you might even want to write it down somewhere'. A 'Set a password >' button is at the bottom.
- Step 4. Login**: A form titled 'You're logging in to Sparx at Thomas Telford School. Not your school?'. It has fields for 'Username' and 'Password', a 'Show' button, and a 'Log In' button. A link for 'New Sparx user?' is at the bottom.
