

JO HART

TTS STUDENT: 2002-2009

Current role: Headmaster's Professional Assistant, Thomas Telford School

Career pathway:

I originally enrolled on a Counselling Psychology Degree following my A Levels and briefly started studying British Sign Language alongside this but, after a lot of soul searching and the opportunity of a full time job arising, I decided to leave and pursue a career in Human Resources. I was very lucky to find a job I enjoy and that provides me with great experience every day. I thoroughly enjoy the Human Resources side of Business. No two days are the same!

Advice for students:

Follow your heart and pick a course that you enjoy. I was unsure of what I wanted to do in the future and looking back now, I can see that I went to university just because everyone else was without finding something I was passionate about. It's okay to not know what you want to do, take your time and research.

Plans for the future:

I am studying towards an Open Degree in Business Studies, albeit slowly while I fit it around having a very busy work life! I have also enrolled on a Level 1 – British Sign Language Course as I found it very enjoyable at university and feel it is a very important and unique skill to have.

Best memory of your time at Thomas Telford?

Sixth Form Prom – it was a lovely way to end 7 years at Thomas Telford School and say goodbye to students and staff!
