Dear staff and students at Thomas Telford School, I would like to thank you all for taking part in our Eat Cake Campaign and raising an amazing £250! The Eat Cake fundraising event has currently raised over £13,000 so far and we really couldn't have achieved this without the support from our local community. Without donations like this, we simply couldn't do what we do!

The support our hospices receive from the community is nothing short of amazing. Every penny that comes through our doors means such a lot to us.

Our families continue to tell us every day that our hospices are an absolute lifeline for them, "They are ones that keep us from breaking". The care we can provide thanks to your donation is expert, bespoke and life changing. We are truly thankful that you have chosen to support us as we strive to ensure that no one suffers the death of a child alone.

Best wishes
