

# Y6 Technology Challenge

The Technology department can't wait to meet you and welcome you to Thomas Telford School. We would like to get to know you a little by completing the challenge below

## 'Get to know you' badge designs!

Create **3 badge designs** that tell us about things you enjoy. It could be a hobby, a favourite subject at school, a favourite holiday or a family interest.

The shape of your badges is up to you and you can design them on paper with colour pencils or on the computer and print them out.

To extend the challenge further you could make the design from cardboard, paper, foil and lots of other items that may be in your recycling box.

**I love  
shopping**

**I love  
photography**

**I love  
films**

**I love  
baking**

Keep your designs safe. We would love to see these when you start here at Thomas Telford School.
