

## Evacuation Assembly Points

Evacuation points are as follows:

- Hard Play area – Y7, 8 and 9 – EJP/IRR
- Blue Astro Pitch – Y10, 11, 61 and 62. Teachers to open the double gates by the table tennis tables – RAF/ARB

There are signs for year groups to gather by.

Students to line up in class groups and check all are present.

Teachers to notify a nearby member of SMT, that all are present or if any students are missing.

If members of SMT are teaching a class, they must do the above and then assign a colleague to supervise their class group.

SMT will then assist in checking off classes and notify one of the following, RAF/ARB/EJP/IRR

**All non-teaching staff / support staff** should gather on the pavement between Hard Play area and the Gatehouse.
