

BTEC Tech Award - Drama	Year 10 Component 1 – Autumn Term	How to support students' learning
	View Students will view a wide variety of live theatre to explore different styles of theatrical productions. Investigate Students will investigate the process of how theatrical performances are created. From Page to Stage. Explore Students will explore the performance skills and techniques used in a variety of theatrical styles to gain an understanding of the demands of an actor. Evaluate Students will assess a single performance discussing in depth the process of that production and how the actors develop their skills during each stage of the process.	Students will be required to complete written tasks for homework to support their coursework. The following websites will support all aspects of their course work. • BBC Bitesize Practitioners and Drama styles https://www.bbc.co.uk/bitesize/guides/zxn4mp3/revision/1 https://www.bbc.co.uk/bitesize/guides/zmn9382/revision/1 • National Theatre play resources, to develop understanding of process of making theatre. https://www.nationaltheatre.org.uk/learning/schools/secondary-and-fe/resource-packs-list • BBC Bitesize can support students in their written work. https://www.bbc.co.uk/bitesize/topics/z6mxsbk • BBC Bitesize describes the roles within theatre. https://www.bbc.co.uk/bitesize/guides/zhx3pg8/revision/1 • BBC Bitesize describes staging. https://www.bbc.co.uk/bitesize/guides/zjwp2sg/revision/1 • BBC Bitesize supports live theatre evaluation.
