

Subject	Y10 Threshold Concepts – Summer Term	How to support students' learning
French	Half Term 5 – Travel and tourism During this half term, students will learn about holidays and accommodation. They will consistently be using three tenses to talk about future and past holidays. Students will also learn to use the conditional tense. Half Term 6 – Studying and my future Students will learn to speak and write about their future plans. They will learn to talk about different professions and say where and who they would like to work with in the future. Students will revise the future tense and the conditional tense.	Your child is completing the Pearson Edexcel GCSE French (2024). As your child is now preparing for their examinations, it is vital that they are completing their weekly homework and revision tasks as set by the teacher. Weekly vocabulary practice will be assigned on www.languagenut.com. All students are provided with an individual login to this website in September. In addition, www.languagenut.com will be used weekly for examination skills practice in listening and reading across each of the key themes. We recommend BBC Bitesize for revision of exam skills and grammar. https://www.bbc.co.uk/bitesize/examspecs/zhkvkhv As students prepare for their speaking examination, they must be reciting and memorising key questions, vocabulary and answers at home. A “little and often” approach works best for language learning and so 5-10 minutes a night is recommended. SharePoint is used to share resources and lessons with students.
